01

INTRODUCTION

Building brands at the intersection of culture, data & craft.

About

Entrepreneur & Creative Director with **15+ years** of experience.

Collaborated with **40+ global brands** — Coinbase, AC Milan, Mattel, Azuki, PUMA.

Excels at building brands grounded in **marketing data, trends & strategy**.

Experience

Head of Brand & Creative — **COTI** & **LINEUP GAMES**

Creative Director — **Azuki**

Creative Director — **PUMA**

Founder — **Outlaw** fashion brand

Notable Projects

Azuki partnership with **Dentsu**

Launch of **Azuki Studio**

anime.com — web3 anime hub

PUMA × Outlaw, Daily Paper, Ader Error

Multiple **fashion & design awards**

SECTION 01 — PORTFOLIO

Selected Projects

01

A decade and a half of creative direction across Web3, gaming, fashion and global brand partnerships — from concept and context through to crafted execution.

AZUKI — WEB3 ANIME

Content & lore for a global anime universe.

Led content & lore development for Azuki — architecting the narrative world that onboards mainstream audiences into a Web3 ecosystem. **Studio Azuki** was established as a dedicated production arm with **Westbrook** (Will & Jada Pinkett Smith's media company).

ACQUIRED FOR MAINSTREAM ONBOARDING

Dentsu

STRATEGIC PARTNERSHIP — JAPAN'S LARGEST

AZUKI × AMBUSH

Lore, BEANZ & the digital flagship.

Azuki × AMBUSH — led the project across context, concept and crafting phases. Also drove **Azuki Lore, BEANZ** and the **website UI/UX** through context and concept.

CONTEXT · CONCEPT · CRAFTING · UI / UX · WORLD-BUILDING

PROOF OF SKATE

Azuki Golden Skateboard.

Led conceptual development for the Golden Skateboard activation and directed creative direction for the physical **'Proof of Skate'** exhibition at **K11 Musea, Hong Kong**.

$2.5M

SECTION 02 — HEAD OF BRAND & CREATIVE

LINEUP GAMES

02

UNKJD · Strikers League — a Web3 gaming studio backed by Griffin Gaming, DraftKings and Solana Ventures. Full rebrand: identity, world-building, brand book, website & art book.

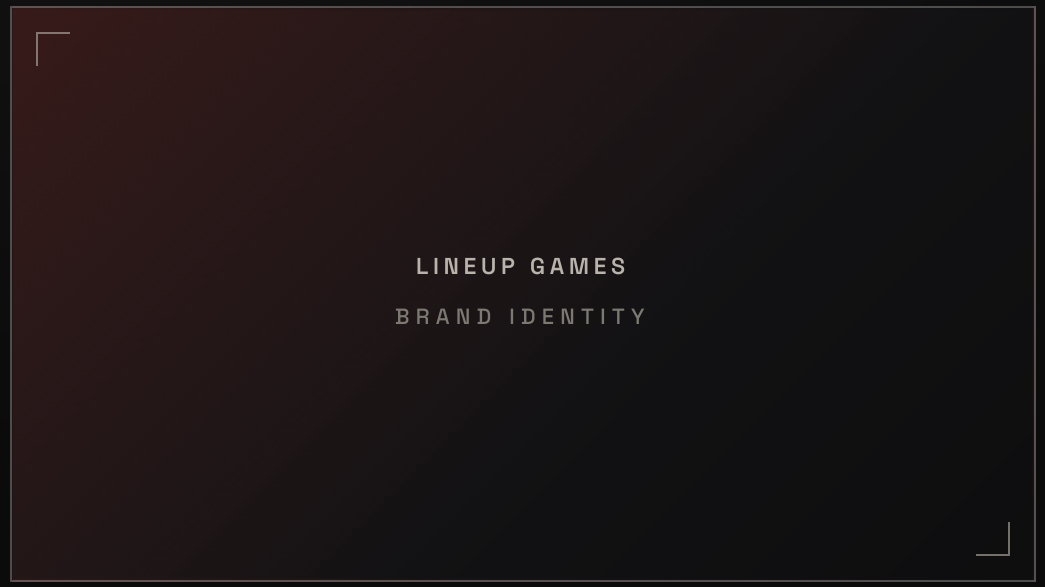

LINEUP GAMES — CONTEXT

A $26M studio, fully rebranded.

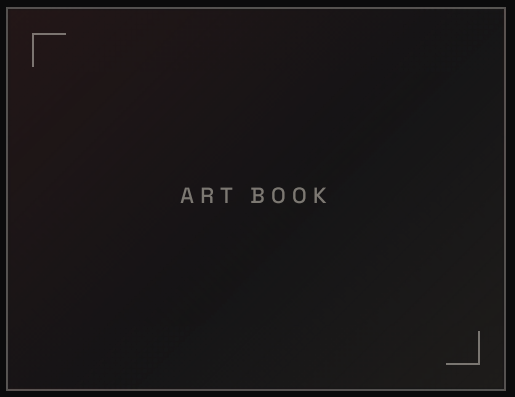

A Web3 gaming studio backed by **Griffin Gaming, DraftKings & Solana Ventures**, founded by the former CPO of Playtika. As Head of Brand & Creative, I led the full rebrand — identity, world-building, brand book, website and art book.

$26M
SERIES A RAISED

Playtika
FOUNDED BY FORMER CPO

LINEUP GAMES — CONCEPT

Defining the website direction.

Led the concept & context phase for the website redesign — defining the **UI/UX direction, tone of voice, creative vision** and overall look and feel. Execution & craft delivered in close collaboration with **Dogstudio**.

UI / UX DIRECTION

TONE OF VOICE

CREATIVE VISION

× DOGSTUDIO

LINEUP GAMES — CRAFT

Directing the final look & feel.

Directed the in-house art team — across concept, 3D and art — to deliver the final look and feel of both brand and game. Also led major brand partnerships.

AC MILAN | PUMA — 2-YEAR DEAL | MATTEL | BANDAI NAMCO

SECTION 03 — INTERNAL CREATIVE AGENCY

COTI Group

03

Directing the internal creative agency across a multi-brand portfolio — COTI Foundation, LINEUP GAMES, NFA Club, Yaru and Viper Wallet.

COTI — REBRAND

One agency, five brands.

For two years, directed the internal creative agency at COTI Group — managing multiple brands. Spearheaded COTI's comprehensive rebrand while overseeing **conceptual development, contextual positioning & creative strategy** across the portfolio.

COTI FOUNDATION

LINEUP GAMES

NFA CLUB

YARU

VIPER WALLET

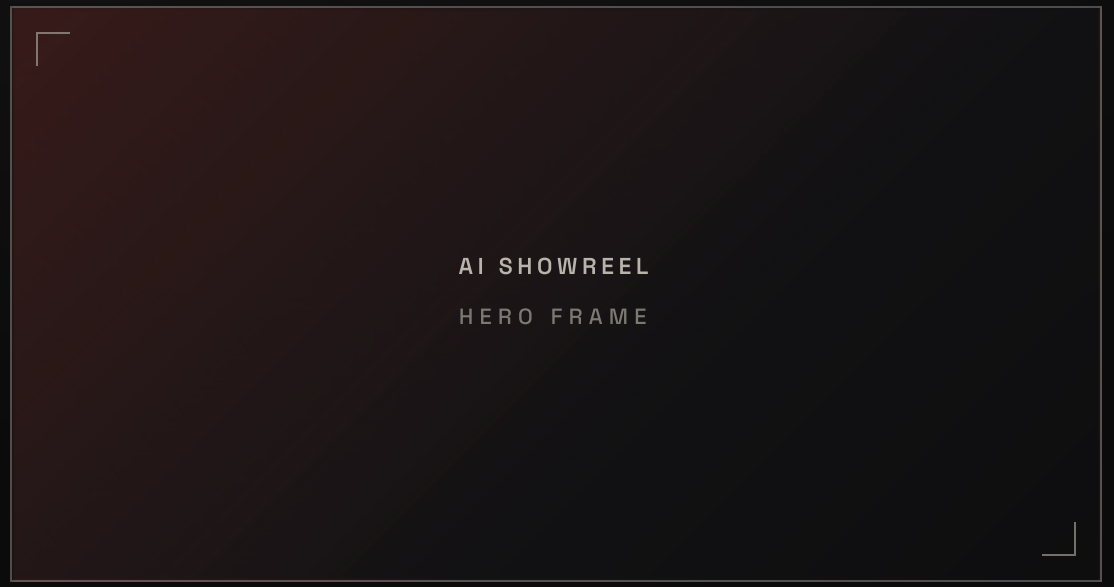

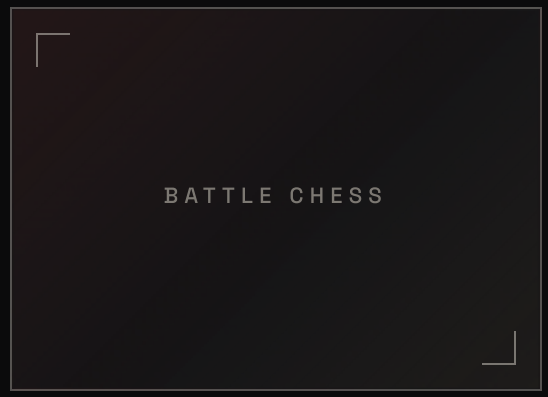

COTI — AI CAMPAIGNS

AI-driven storytelling.

AI showreel created across several projects — **COTI Foundation**, **Battle Chess Game**, **Fog of War** TV show, and more — pushing generative craft into brand and entertainment.

GENERATIVE · SHOWREEL · BATTLE CHESS · FOG OF WAR

EXTRA — OUTLAW

Founder of one of Europe’s leading streetwear brands.

Built **Outlaw** into a global presence through high-impact collaborations with **PUMA, Farfetch, Beats by Dre & Martini**. Won multiple fashion film awards — featured by **Vogue, GQ & CNN Style**.

"To show the real Mexico — free from stereotypes — Maxim traveled through 21 cities, collaborating with 55 artists, anthropologists, historians and locals."

WHAT I DELIVER

From strategy to pixel — end-to-end creative direction.

UI / UX — Marketplace

Interface direction for Web3 marketplaces & platforms.

Flows, systems and look & feel grounded in user data.

UI / UX — Game

In-game interface & experience direction.

Concept, 3D and art pipeline across brand and game.

Creative Direction

TV series & fashion brand direction.

Campaigns, world-building and global partnerships.

MEDIA — SELECTED PRESS

01 **Azuki Twin Tiger Jacket** — fashion × Web3 launch

02 **Maxim joins UNKJD** / Strikers League
